Dear Counsel and Parties of Record:

As you will recall, a ruling was made on the oral motion of CCEBA during the hearing in this matter on Monday, August 23, 2021.

CCEBA's request for relief in the motion granted is as follows:

- (1) Additional discovery directly related to the change that DESC Witness David made;
- (2) The Right for CCEBA to file Supplemental Surrebuttal Testimony before the October hearing;
- (3) (COMPLETED) Right for Witness Burgess when called as a witness on 8/23 or 8/24 to briefly address in the changes to Witness David's testimony in an Q & A manner to this change; and
- (4) Right to cross examine DESC Witness David in October.

A Status Conference is needed to follow up on timelines (if any) related to Items No. 1, 2, and 4 which remain to be completed, and result in need for an additional pre-filing deadline and additional hearing time. It is noted that discovery by CCEBA related to Item 1 was served on 9/3/2021 per the DMS (which has been incorporated in the proposed revised schedule to include a pre-filing date for the Supplemental Surrebuttal Pre-filed Testimony of Witness Edward Burgess to the Corrected/Revised Rebuttal Testimony of Peter B. David, and additional reserved hearing dates due to the additional cross examination of Witness Peter B. David).

**STATUS AUDIO/VOICE CONFERENCE WITH ALL PARTIES:**

**DATE:** FRIDAY, SEPTEMBER 10<sup>TH</sup>, 2021  
**TIME:** 9:00 A.M.

**CALL NUMBER:** 1-800-753-1965  
**ACCESS CODE:** 8967784#

STATUS CONFERENCE IS AUDIO RECORDABLE AND PLEASE ADVISE OF CONSENT TO SAME. THE STATUS CONFERENCE WILL BE CONDUCTED IN ACCORDANCE WITH THE COMMISSION POLICIES AND PROCEDURES.

Parties are welcome to discuss the proposed schedule additions or edits among yourselves. Parties may come to resolution of the additional dates and schedule changes prior to the status conference. Remember anything sent to Commission staff must be shared and provided to all parties of record; otherwise, it may result in a violation of the *ex parte* statute. Commission staff will also post any external email or correspondence (received or sent) related this docket in the DMS.

**SCOPE OF THE STATUS CONFERENCE:**

Due to the additional pre-filed Testimony and cross examination of a witness, it is anticipated that additional hearing dates need to be reserved for additional hearing time that could not have been originally contemplated in this matter. This docket has a statutory deadline for decision by the Commission and Commissioners will need time for deliberation of the evidence. Please review and consider the proposed pre-file date for the Supplemental Surrebuttal Testimony of Witness Burgess and the reservation of other dates beyond October 13<sup>th</sup>. The Commission also wanted to make the parties aware that there is a possibility the Commission may not be available on Tuesday, October 12<sup>th</sup> for the hearing; however, it is not definite at this time and the Commission wanted to advise parties of the possibility so that plans can be made accordingly.

**SCHEDULE:** (starting on date of change in Witness David's pre-filed Rebuttal Testimony and does not include other dates and dates or changes are highlighted or in color)
